Dame Alice Leigh's Almshouse

TRUSTEE'S REPORT – Activities during the year 2022

During 2022 the Charity continued to provide accommodation for residents in the ancient parish of Stoneleigh and whilst one of the Almshouse properties became vacant, nine remained fully occupied throughout the year.

No.2 Almshouse became vacant on 31st December 2021 with the new resident taking up occupancy at the end of March 2022.

Trustees have continued with day-to-day repairs as well as remedial and modernisation work to the Almshouses, as best they could, whilst still under COVID-19 restrictions and government lockdowns. The minor indoor repairs continued to be carried out as and when required. The ongoing issues with damp in some fireplaces, continues to be closely monitored and have largely been brought under control. However, it is now thought to possibly be rising damp or water retention from the outside, via the sandstones and/or mortar which is causing the water ingress to several of the properties, this is being kept under constant surveillance by the Clerk. Brad Steele, a Master Stonemason carried out repairs to the stonework on the Almshouse outbuildings. This included repairs and repointing to the brickwork and guttering of the outbuildings, along with the removal of foliage and moss from around both the outbuildings and main Almshouse building.

Electrical maintenance was carried out as and when required, along with the annual PAT testing of all resident's and charity owned electrical appliances and again for the new resident's own personal appliances shortly after they moved in.

Urgent plumbing repairs were carried out under strict COVID19 rules whilst lockdown was still in place in the early part of 2022. However, once the restrictions were lifted, the Plumbers were able to carry out the refurbishment of all five of the remaining shower rooms. The showers and shower trays were replaced, and water heaters installed to replace outdated immersion tanks, along with the re-decoration of those five properties.

Garden maintenance has included regular lawn mowing, hedge trimming and the pruning of several trees, in addition to moss and weed spraying.

The Almshouse Trust has continued its support of local charities with donations being made to the following charities at the beginning of the new year, January 2022 to:

The Shakespeare Hospice Waverley Day Centre
Warwickshire Vision The Ups of Downs

Further donations were made to:

The Shakespeare Hospice Christmas Appeal in October 2022 and to
The Ups of Downs and Waverley Day Centre in December 2022

The Trust also made charitable donations to support needy people living in the Ancient Parish of Stoneleigh through the Together for Change initiative and the Coventry Children's Boot Fund. Together for Change (TFC) is a joint venture charity between the Diocese of Coventry and the Church of Urban Fund. Together for Change is working with churches and other public & private sector groups to transform the communities of Coventry and Warwickshire and tackle systematic poverty. In the five years since the inception of this project, the Churches in Tile Hill have set up and grown a range of projects supporting needy people in the community. The Job Club and Make Lunch project are among notable successes. The previous project that the Trust donations have helped support has been the recruitment of a Youth Worker at St Andrews Church who provides youth activities in the community.

It was agreed that the Trust would donate £5,000 in January 2022 to the Good Neighbours Men's Space project, and a further £5,000 in April 2022 to the Musical Memories Café Dementia project. The Coventry Children's Boot Fund started in 1893 with the object of providing boots to children in poverty so that they could attend school. The fund has served Coventry's poorest children through two world wars, the depression of the 30's and the ups and downs of the 20th century. Even today, many children attend school wearing worn out leaking shoes in winter, because their parents cannot afford to replace them, which makes you realise that the Boot Fund is as relevant today as it was over a hundred years ago. The Coventry Children's Boot Fund received two donations in 2022, £2,500 in April and a further £4,000 in August.

STONELEIGH UNITED CHARITIES
2023 Report for Annual Parish Council Meeting

The ancient charities of Stoneleigh were combined in 1970 to become Stoneleigh United Charities. Details of the original bequests can be seen inscribed on the balcony in Stoneleigh Church.

The purpose of the charity is to provide financial assistance to those in the villages of Stoneleigh, Ashow and Stareton who are in need.

The United charity receives its income from interest on its long-term investments and two generous donations each year from the estate charity of Duchess Dudley.

The Charity is administered by a Clerk to the trustees and a board of five trustees. In the past the charity has helped towards costs such as hospital visits, emergency property repairs, winter heating costs and emergency advances. Every Christmas the charity makes donations to elderly local villagers and those who have come to their attention as being in need, or perhaps having had a particularly hard year. The charity also makes annual contributions to larger local charities as a way of supporting residents who may have use of these. In 2022 the charity continued to support the following local charities: Air Ambulance, Myton Hospice, The Addington Fund (supporting farmers in need), The Friends of Warwick Hospital and The Salvation Army (Leamington Branch).

The charity welcomes requests for support from the residents of the three villages, or perhaps from their neighbours on their behalf. These requests will be considered at the biannual meetings, or more quickly if there is an emergency. The Clerk to the trustees is Hannah Watts, to whom initial enquiries for assistance should be made. Hannah can be contacted by phone on 01788 890618 or by email: stoneleighunitedcharities@gmail.com.
